LAKESIDE VILLAGE BUSINESS SPOTLIGHT ALLSTATE INSURANCE — MISTY CHADWICK

The Chadwick Family Agency of Allstate has been in the Lakeside Center for almost 20 years. It was started by the local brother/sister team, Joey Chadwick and Misty Chadwick Highfield. The Agency customer service has ranked among the best in the country every year since they began. The entire team is dedicated to helping families navigate the complexity of insurance by conducting service reviews. Many people have the wrong coverage needed for their circumstance. Whether or not you are with Allstate, they are happy to help you understand what you currently have and what you may need.

The team includes their pets, (not pictured here) doodle Scarlet, our Terrier mix Samson and several cats who call their porch home. Stop by and meet the team.
